

Invitation

Dear future participants in VSU'2022,
Dear friends and colleagues,

On behalf of the Organizing Committee, we kindly invite you to participate in the XXII International Scientific Conference on Construction and Architecture VSU'2022, which will be held on 6, 7 and 8 October 2022 in Sofia.

Organizing Committee of VSU'2022
USEA "L. Karavelov", Sofia, Bulgaria

General information

The International Scientific Conference "Construction and Architecture" is held every year at the University of Structural Engineering and Architecture "Lyuben Karavelov" – Sofia.

The co-organizers of the conference are Bulgarian institutions and professional organizations operating in the field of architecture and construction. The Scientific Committee is composed of famous Bulgarian and foreign scientists.

The official languages of the conference are Bulgarian and English. Bulgarian, English, Russian, French and German are used as working languages.

Various forms of participation in the conference are provided: report, poster, part-time participation, guest. Special events are organized - discussion forums, company presentations and exhibitions, competitions for the best report of a young scientist, best poster of Student Session and best report of a student.
