

Dear researcher,

Due to the unpredictability of the situation in Europe and Bulgaria caused by the spread of the COVID-19, the organizing committee of the XX International Scientific Conference VSU'2020 announces its intention to

**hold the conference, as announced in advance - on 15, 16 and 17 October 2020 at the University of Structural Engineering and Architecture "Lyuben Karavelov" - Sofia, Suhodolska Str., № 175.**

Complete information about the conference you can find on the conference site

<https://conference.vsu.bg>

In this regard, the registration of participants with reports continues, with the deadline for registration and submission of summaries being extended to **1 June 2020**. The deadline for submitting the full text of the reports is still 6.07.2020.

Already registered participants who have submitted their abstracts will receive confirmation till the **new deadline for confirmation of accepted abstracts on 8.06.2020**.

All submitted and reviewed papers will be published in a book summary and an electronic edition entitled "International Scientific Conference VSU2020", included in the "The National Reference List of contemporary Bulgarian scientific publications with scientific review".

Registration and uploading of abstracts and full texts is via the conference website:

<https://conference.vsu.bg/index.php?lang=en&pid=2&user2=newreg>

In case of inability to submit a report in person, there is a possibility for **participation in absentia**, which envisages publication of the report and receipt of the edition of the collection of reports.

If the situation around the dates of the conference does not allow travel and arrival of participants, scientific sessions will be **organized online**.

We look forward to your scientific communications and fruitful participation!

We hope to meet you in October!

With respect,

Responsible for the conference site
